Sponsorship for the 2010 Big League Baseball Western Region Tournament

Thank you for your interest in helping District 2 bring this premier event to our area. This is a sought after tournament and we have been fortunate enough to have been selected to host for the fifth consecutive year.

The Big League Baseball program is for youth age 16 to 18. The Western Region tournament has brought in teams from Alaska, Washington, Montana, Oregon, Hawaii, Northern California, Southern California, Nevada, and Arizona. Most of the players come with family and stay in our area for at least a week. So this is a great opportunity to showcase our community and the many amenities we offer.

As you can imagine, it takes a lot of community support, both in volunteer time and financially, to put on this event each year. We appreciate your financial support and we offer to promote that support during our tournament.

Please see the attached Sponsorship Form for several options you may choose from to show your support. If none of the categories seem to fit what you had in mind we would be pleased to work with you to come up with something appropriate.

Sincerely,

Pat Ryan
